QUESTION 17.

Although these projects are relatively small in capacity, the requested qualification criteria are very stringent and may reduce the competition significantly. Therefore, we sincerely suggest you consider making some modifications to make the eligibility criteria a bit lenient in clause 4.2 (f); Specific Experience in Sub-Saharan Africa, where the bidder shall complete at least two such projects in Sub-Saharan Africa.

ANSWER 17.

The applicants shall meet the required criteria and fill all forms with the information requested.
