Question N° 1: *I have want to ask for the clarification on the issue bellow, **Section III-Evaluation and qualification criteria 4.2 (a) &4.2 (b).** according to the description of these clauses, it is very easy to understand that if one company to be a single entity that must meet or the requirements stated in these two clauses. However, as the JV, at least one member Must meet the following requirements for the key activities listed below: Development and completion of Design, Supply, Installation, Testing, and Commissioning, of Medium Voltage (MV) Substations/Grid-connected BESS. Our question is that, as the JV, if this criteria was only ask at least one of JV member to provide only one contract as EPC contractor is enough or must have 3 contracts as EPC contractor?*

Answer N° 1: Bidders (single or in JV) shall provide at least three (3) contracts as required for the evaluation of the criterion 4.2 (a) and at least two (2) contracts as required for the evaluation of the criterion 4.2 (b). For a JV, one member shall own the expertise/experience in :

- Design, Supply, Installation, Testing, and Commissioning of Grid-connected BESS.
- Design, Supply, Installation, Testing, and Commissioning of Medium Voltage (MV) Substations.
