CLARIFICATION # 2

QUESTION NO. 12

We understand that each element will be evaluated and scored according to the criteria outlined in the TDR. Could you please provide information regarding the scoring scale and the weightings assigned to each criterion mentioned in the document?

RESPONSE NO. 12: At this stage, we are only requesting for your expression of interest. It must take into account point 6 of the REoI. The evaluation of the EoI is qualitative.

The technical and financial proposals will be requested later, via the RFP. This document will indicate the weightings to be used for each criterion and sub-criterion

QUESTION NO. 13

We acknowledge that obtaining recommendations is a time-consuming process. We would like to inquire whether it would be possible to present the recommendations or supporting documents in the subsequent phase of the process.

RESPONSE NO. 13: At this stage, the firms must present the expression of interest according to point 5 of the REoI.

QUESTION NO. 14

“ANSWER NO. 1: The expression of interest will be evaluated according to the qualification criteria presented in the request for Expressions of Interest (REoI). Please see point 6 of the REoI.” However, the qualification criteria outlined in the request for Expressions of Interest (REoI) state:

“Have professionals with recognized credentials in conducting studies relating to digital literacy, and establishing digital skills strategies, frameworks, and definitions for the private and public sector in a variety of different countries around the world in the last five (5) years. The firm should include professionals who have been published in research circles in topics that include digital skills, digital inclusion, public and MSMEs sectors, and making meaningful use of the internet.”

RESPONSE NO. 14

At this stage the interested consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The key experts will not be evaluated at the shortlisting stage. Interested consultants must provide the information they consider useful.
