MINUTES

Pre-Bid Meeting

RFB No: 16/REIUP/UGPE_2

PLANT Design, Supply, and Installation for fiveour (5) Energy Storage Systems in

- i. FOGO island with a capacity of 2.08 MW / 2.08 MWh.
- ii. SANTO ANTÃO island with a capacity of 1.4 MW / 2 MWh.
- iii. SÃO NICOLAU island with capacity of 0.5 MW / 1 MWh.
- iv. MAIO island with a capacity of 0.5 MW / 1 MWh.
- v. BRAVA island with a capacity of 1.1 MW / 6.6 MWh

The Management Unit for Special Projects, within the framework of implementation of Subcomponent 1.1 "*Small-scale variable renewable energy integration*" of the Renewable Energy and Improved Utility Performance Project, has launched an international tender (RFB N° 16/REIUP/UGPE_2) for bids for the "Design, supply and Installation of (5) five Energy Storage Systems in Fogo Island (2,08 MW/2,08 MWh), Santo Antão Island (1,4 MW/2 MWh), São Nicolau Island (0,5 MW/1MWh), Maio Island (0,5 MW/1MWh) and Brava Island (1.1 MW/6.6 MWh)."

The Request for Bid was issued on March 26, 2024 and the deadline for submission of bid was set for June 20, 2024.

On April 25, 2024, by 10 am, proceeded the realization of the "Pre-Bid Meeting" in the presence of the representatives of the Bidders (in person and virtually), representatives of UGPE/Ministry of Finance and representative of the Owner's Engineer (see Annex 2). Representing the UGPE / Ministry of Finance attended the "Pre - Bid Meeting", Daniel Santos (Project Manager), Izalda Monteiro (Project Engineer), Ailine Fernandes (Procurement Specialist), Edna Fernandes (Procurement Assistant). Mr. Richard VOISIN as Team Leader represented the Owner's Engineer.

Please see attached the list of attendance, in the room and online (Annex 2).

Mrs. Izauda Monteiro opened the session by introducing the client representatives and thanking firms by participating in this tender and for being present at the meeting. Then, made some considerations about the process, drawing attention the deadline to request clarifications and procedure for requesting clarification and notifications send. She also pointed out to the participants that all technical questions must be sent in writing by the deadline set in the RFB and that the answers will also be sent in writing. Therefore, the questions that would be answered during the session would be those relating to the presentation made. Then the Owner's Engineer representative made a presentation summarizing:

- Brief summary of the Request for Bid.
- Brief summary of the scope of work.
- Presentation of the sites.

At the beginning of the presentation, the Owner's Engineer representative remembered the date of submission of bids..

It was also recommended to the Bidders to visit the site by their own.

During the session, the Bidders had the opportunity to ask questions regarding this tender.

Question1: *What is the bid language?*

Answer: The language of the Bid is English. Bidders shall not submit Bids in more than one language. The language for translating supporting documents is English.

Question1: *How is the logistics for transports between the island?*

Regarding the transport, it is advisable to consult the CV Interilhas website for information on the journey itinerary.

Some participants asked other questions related to technical issues. The employer recommended that these questions be emailed to the employer, who will respond accordingly. It was reported that Bidders should seek clarification in writing through the email before the deadline as set in the Request for Bid and the responses will be sent by the same mean.
