**Notice Number:** REOI – 72/UGPE/HISWA/2024: Development and Implementation of SIMple's Territory Management Modules

### CLARIFICATION Nº 1

**Question Nº 1** “According to the Request for Expression of Interest, the present procedure is international and open to all eligible consultants. However, the ToR states in point 2: “The objective is to contract **a national consulting firm** to...”

Can you please clarify if only national consulting firms are welcomed on this tender or it is open also to international companies or Joint ventures with national and international entities?

**Response Nº 1:** Point 2 of the ToR was amended as follows, “The objective is to contract **a consulting firm to carry out** the update of SIM, through the development and implementation of the Territory Management Modules of SIMple, in all Municipal Councils of the country, ensuring all necessary integrations” (See the revised ToR).

The procedure is international and open to all eligible consultants. (See point 8 of REOI).

**Question Nº 2:** “We’d like to know if this mission consists of preparing ToR for the selection of a firm to do the "Development and Implementation of SIMple's Territory Management Modules", or does it consist of the "Development and Implementation of SIMple's Territory Management Modules" directly.”

**Response Nº 2:** Please see the point 2 of the ToR.
