QUESTION 1: *Our company has completed more than 3 contracts with a value of at least USD 1.000.000. Could you please inform if this will be accepted as similar in nature and complexity?*

‘(b) Specific Experience: The Bidder shall demonstrate that it has successfully completed at least 3 contracts within the last 5 years prior to bid submission deadline, each with a value of at least USD 1. 000.000 that have been successfully and substantially completed and that are similar in nature and complexity to the Goods and Related Services under the Contract. For a joint venture, this requirement may be met by all members combined.’

ANSWER N° 1: As specified in Section III – “Evaluation and Qualification Criteria,” the required experience must be “similar in nature and complexity” to the goods and services described in the tender. The evaluation will be based on a comparison between the complexity and specifications of the products supplied in the previous contracts and those outlined in the tender requirements.
