#### CLARIFICATION Nº 1

**Question Nº1:** “After careful analysis of the Terms of Reference (TOR) made available through the link in the announcement, we noticed a difference between the title of the assignment and the contents of the TOR and request clarification.

1. The title of the advertisement refers to the training of **secondary school teachers**;
2. However, the content of the TOR indicates that the technical assistance requested is directed to the core subjects of the 1st and 2nd cycles of **basic education**.

In this sense, we request official confirmation as to the level of education for which this technical assistance is intended, in order to ensure compliance of our expression of interest with the stipulated requirements.”

**Response Nº 1:** **Technical assistance covers primary and secondary education, as provided in the point 5 (*Expected results*) of the TOR.**
